Man of Work and Prayer

words by W J Dickson SDB

1. Saint John Bosco, man of work and prayer,
   Your strength and courage your open heart,
   Make our hearts as open as the ocean shore,
   Keep us all united and well aware of our young world's feelings.
   Brought children to you to learn their part, that God their Father
   let us love young people whose pain you bore, that we may share in

2. Their ev'ry need, and meet Christ in them and live indeed.
   Their Father's love, cleansed by His fire.
   Has given His Son so that all can trust Him, sharing all He's won.
